T-MAT™

ASPHALT RESURFACER

TOUGH, DURABLE TYPE I MICRO-RESURFACER

PERFECT FOR:

- ✓ Driveways
- ✓ Trail Systems
- ✓ Low Volume Parking Lots

INCREDIBLY TOUGH YET SMOOTH FINISHED SURFACE

BLACK COLOR STAYS FOR LIFE OF PRODUCT

RECOMMENDED FOR USE ON PAVEMENT UNDER 3 YEARS OLD

APPLICATION

1. Clean surface & remove any vegetation Do NOT apply T-MAT to a wet surface or if rain is imminent. Temperature must be 60° or rising for a 24 hour period.
2. Open pail and thoroughly mix product.
3. Apply T-MAT Asphalt Resurfacer with a squeegee using a back & forth motion, overlapping the previous pull by 70% or more as you move down the area to be applied. The material will build up to form a strong protective layer.
4. Stay off surface until completely dry to touch. Keep car traffic off for at least 12 hours.
